(Former Judge, Patna High Court)

Administrator of the Bihar Cricket Association

Date: 30.10.2026

NOTICE

Declaration of conflict of interest by office bearers, committee members, employees, selectors, coaches, support staff, match officials and consultants of the Bihar Cricket Association and the District Cricket Associations

1. Section 8 of my Standard Operating Procedure dated 08.10.2026 (the "**SOP**") applies the provisions on conflict of interest in Rule 41 of the Amended Rules and Regulations, 2025 (the "**BCA Rules**") of the Bihar Cricket Association (the "**BCA**") throughout the BCA. By this notice, I require every person listed in paragraph 7.1, in the BCA and in the District Cricket Associations (the "**DCAs**"), to declare any conflict of interest on affidavit, for the reasons set out below.

2. Rule 41(1) of the BCA Rules describes 5 forms of conflict of interest:

2.1. **Direct or indirect interest:** the BCA, a DCA, the Bihar Premier League or a franchisee deal with an entity in which the person, or a relative, partner or close associate of the person, has an interest (Rule 41(1)(i)).

2.2. **Roles compromised:** the person holds 2 posts or positions whose functions conflict (Rule 41(1)(ii)).

2.3. **Commercial conflicts:** the person has an endorsement contract or other professional engagement that compromises his or her duty to the game (Rule 41(1)(iii)).

2.4. **Prior relationship:** a vendor or service provider with whom the person had a commercial engagement in the past is later engaged (Rule 41(1)(iv)).

2.5. **Position of influence:** the person takes part in decisions of governance, management or selection concerning a friend, relative or close affiliate, or holds a stake in, or power to influence, a franchisee, club or team (Rule 41(1)(v)).

3. Rule 41(2) requires every person, within 15 days of taking any office under the BCA, to disclose in writing to the Committee of Management any existing or potential conflict, and requires the disclosure to be uploaded on the website of the BCA, while Rule 41(5) gave the persons already in office 90 days from the approval of the BCA Rules to do so. Disclosure is the foundation of Rules 41 and 42, because a conflict that is not known can neither be classified as tractable or intractable under Rule 41(3), nor resolved by recusal, nor brought before the Ethics Officer under Rule 42. As Rule 41(2) itself clarifies, a declaration does not mean that a conflict in fact exists, and is made for information and transparency.

4. The BCA Rules were registered with the Registrar of Societies on 01.07.2025, and the periods under Rules 41(2) and 41(5) for the persons now in office have long expired. Even so, the declarations of such persons, if any, are not available on the website of the BCA, and it is not known whether, or by whom, any declaration has been made. In any case, a declaration serves its purpose only if it follows a common format and carries the particulars needed to judge whether a conflict exists, such as the relatives of the person and their interests, and the other posts held by the person. I have therefore decided that every person listed in paragraph 7.1 shall make a declaration, on affidavit, whether or not he or she has made one before, in the standard format enclosed with this notice (the "**Format**").

5. The requirement extends to the DCAs, since the BCA Rules do not confine conflict of interest to the BCA itself. The definition of "Administrator" in Rule 1(A)(a) includes the President and the Secretary of every Full Member; Rule 41(1)(i) applies where a Member enters into a contract; several illustrations to Rule 41(1) concern the office bearers of a District Association; Rule 41(4)(m) names the office bearer of a Member; Rule 18 gives the BCA concurrent jurisdiction over the players, match officials and team officials of the DCAs; and Rule 5(B) makes the grants to a DCA conditional on its appointing an Ethics Officer and abiding by the principles of transparency in Rule 40. Further, the verification of clubs, which is my principal task, is directly concerned with whether a club is genuinely run by its own members or is controlled by a person holding office in a DCA, or by a relative, partner or close associate of such a person. Illustration 4 to Rule 41(1)(v), of the President of a District Association whose company owns 12 clubs, treats exactly such a case as a conflict of interest. The declarations of the persons of the DCAs will, therefore, also form part of the material for the verification.

6. The time allowed for submitting the declarations is 10 days. The periods of 15 days under Rule 41(2) and 90 days under Rule 41(5) were given for a first disclosure on taking office, and both have long expired for the persons now in office. This notice does not open those periods afresh, but requires a disclosure that is already overdue to be made, or made afresh, in a standard format. The particulars called for are within the personal knowledge of each person, and the verification of clubs and the scrutiny of proposals under the SOP cannot wait for them. A person who takes office after this notice shall have the period allowed by Rule 41(2), as provided in paragraph 7.5.

7. Accordingly, I direct as follows:

7.1. Who shall declare: Every person in the following categories, in the BCA and in each DCA, shall make the declaration:

a) the elected office bearers and the members of the Committee of Management (Apex Council) of the BCA, and the office bearers and the members of the managing or executive committee of each DCA, whether elected or nominated;

b) the members of every committee and council of the BCA and of each DCA, including the Standing Committees, the Cricket Committees and selectors, the Umpires Committee and the Governing Council of the Bihar Premier League;

c) the Chief Executive Officer (the "**CEO**"), the managers and every other employee of the BCA and of each DCA, whether permanent, temporary or on contract;

d) the coaches, managers, physiotherapists, trainers, analysts and other support staff of every team of the BCA and of each DCA;

e) the umpires, match referees, observers, scorers and other match officials appointed by the BCA or a DCA; and

f) the consultants and professionals engaged by the BCA or a DCA, such as retained lawyers, chartered accountants and auditors, and where a firm is engaged, the partner or person in charge of the engagement, who shall also declare the interests of the firm.

7.2. Form: The declaration shall be made on affidavit in the Format, on non-judicial stamp paper of the requisite value, and attested by a Notary Public. The Format shall be filled in completely, with "NIL" written where there is nothing to declare, and any additional sheet shall be signed by the deponent and attested with the affidavit. The Format is in English and in Hindi, and the affidavit may be made in either language. In case of any conflict of interpretation between the English and the Hindi versions, the English version shall prevail.

7.3. Persons of the BCA: Every person of the BCA in paragraph 7.1 shall submit the original affidavit at the office of the BCA, addressed to the CEO, BCA, with a copy to the Secretary, BCA, and shall also send a scanned copy of it by email to both, within 10 days of the date on which this notice is uploaded on the website of the BCA.

7.4. Persons of a DCA: Every person of a DCA in paragraph 7.1 shall submit the affidavit to the Secretary of the DCA, who shall forward all the affidavits of the DCA, including his or her own, with a list of the persons who have submitted affidavits and those who have not, to the CEO, BCA, with a copy to the Secretary, BCA, so that they reach the BCA within the same 10 days.

7.5. New office and changes: A person who takes office, or is appointed or engaged, after this notice shall submit the affidavit within 15 days of doing so, as required by Rule 41(2). Every person who has submitted an affidavit shall submit a supplementary affidavit in the same Format within 15 days of any change in its contents, or of any new conflict arising or coming to his or her knowledge, in line with paragraph 8.1 of the SOP.

7.6. Notification: The Secretary, BCA shall, within 2 days of the receipt of this notice, upload this notice and the Format on the website of the BCA, circulate both by email to every

person of the BCA in paragraph 7.1 and to the President and the Secretary of every DCA, and inform me of the date of upload. The Secretary of every DCA shall circulate them to every person of the DCA in paragraph 7.1 within 2 days of their receipt.

7.7. Register, upload and report: The CEO, BCA shall keep a register of the affidavits received, upload each affidavit, as submitted, on the website of the BCA at a dedicated link within 7 days of its receipt, as required by Rules 40 and 41(2), and place the affidavits before the Committee of Management. Within 5 days after the period of 10 days ends, the CEO shall send me a report listing, for the BCA and for each DCA, the persons who have submitted affidavits and those who have not, and identifying every affidavit that discloses an existing or potential conflict.

7.8. Consequences: A failure to submit the affidavit, or any incomplete disclosure, suppression or false statement in it, will be dealt with strictly. Under Rule 41(2), it renders the person liable to disciplinary action, which may include termination and removal without benefits, and it may also be taken up by the Ethics Officer under Rule 42 or referred to the Ombudsman under Rule 44(1)(b) or (c). A false statement on affidavit may also attract proceedings under the law. As stated in paragraph 8.3 of the SOP, I will ensure that action follows and will place serious cases before the Hon'ble Supreme Court.

7.9. This notice is in addition to Rule 41 of the BCA Rules and Section 8 of the SOP. The duty to state any conflict of interest in every proposal under paragraph 6.1(e) of the SOP, and to keep away from any matter in which a person has a conflict, continues.

Clubs, academies and teams: I, or my relative or close associate, own, control, fund, run or hold office in a club affiliated to a DCA, a cricket academy, or a franchisee, club or team in any league under the BCA, or hold any stake, voting right or power to influence its decisions (Rules 41(1)(v) and 41(4)(p)).

4. I understand that what matters is the possibility, or even the appearance, of a conflict, and not whether I have in fact acted unfairly. I shall not be heard to say later that I did not understand what a conflict of interest is, or that I thought a situation too remote to disclose.

5. I have ticked whichever of the following 2 declarations applies:

5.1. ☐ **No conflict of interest:** I have no conflict of interest to disclose. No situation gives rise, or may give rise, however remotely, to a conflict of interest for me under paragraph 3, whether through myself or through my relative or close associate. Where I make this affidavit as the partner or person in charge of a firm engaged by a BCA body, this declaration covers the firm and its partners as well. I have accordingly crossed out the table below.

5.2. ☐ **Disclosure:** I disclose in the table below every situation that gives rise, or may give rise, however remotely, to a conflict of interest for me under paragraph 3, whether through myself or through my relative or close associate, including every other post or position I hold and every entity, club, academy or team in which any of us has an interest. Where I make this affidavit as the partner or person in charge of a firm engaged by a BCA body, I have also disclosed the interests of the firm and its partners. If the space is not enough, I have attached ____ additional sheets, each signed by me.

S. No.	Category under paragraph 3 (3.1 to 3.6)	Through whom (self, or name, and relation or connection)	Person, entity, post or decision concerned, and the BCA body involved	Nature of the interest or connection (for a holding, the %)
1.				
2.				
3.				
4.				
5.				

Note on filling in the table: *Fill in the table only where paragraph* 5.2 *applies. Use a separate row for each situation. In column 2, write the case in paragraph 3 (3.1 to 3.6) under which the situation falls, and if more than one applies, write each. Give enough detail for the situation to be understood without further inquiry. Example: "1 | 3.1 | Rakesh Kumar, my brother | XYZ Sports Pvt. Ltd., which supplies cricket kit to the BCA | Director, and holds 20% of its shares".*

6. Except as disclosed in paragraph 5, and, as regards my relatives and close associates, to the best of my knowledge after reasonable inquiry, neither I nor my relative or close associate has, or has had in the last 3 years, any interest in any entity that deals with a BCA body, whether in our own names or through any other person or entity, and none of us has, in the last 3 years, received any payment, loan, gift or other benefit from any person or entity that deals with a BCA body, other than salary, fees or other payment for work actually done, or a loan from a bank or financial institution, in each case on ordinary commercial terms and not connected with my post.

7. This affidavit is complete and true, and I have disclosed every situation required by it (as regards my relatives and close associates, to the best of my knowledge after reasonable inquiry), including those I consider remote or harmless. Where I was in doubt, I have disclosed.

8. I shall keep away from every discussion, decision, selection or other matter in which I have a conflict of interest, and shall submit a supplementary affidavit in this format within 15 days of any change, or of any new conflict arising or coming to my knowledge.

9. I understand that this affidavit, as submitted, will be uploaded on the website of the BCA under Rule 41(2) of the BCA Rules, and I consent to it. A declaration does not by itself mean that a conflict of interest exists.

10. I understand that a failure to disclose, or an incomplete disclosure, suppression or false statement in this affidavit, renders me liable to disciplinary action, which may include termination and removal without benefits, under Rules 41(2), 42 and 44 of the BCA Rules and paragraph 8.3 of the SOP, besides proceedings under the law.
